

It always seems impossible until it's done  
NELSON MANDELA

Evinco is  
events, incentives,  
congresses and communication.

Evinco means in Italian, to complete an action by winning. But not alone. "Binding" components to create a synergy achieving the final result.

Passion, experience and knowledge of the human resources and qualities create the perfect team focusing on customer's satisfaction through the success of the event.

barbara mori

luana masini

Elegance is not about being noticed  
but about being remembered

GIORGIO ARMANI

Event

An event meets success thanks to the  
synergy of all role players by sharing,  
respecting, listening and willing to do...

elegance

It's the opposite qualities which make possible  
an intimate relation

GOETHE

**IN**centive

In years of experience we acquired the  
knowledge of creating high quality Incentive  
as a tangible reward for the goals  
achieved...

**CO**ngress

No matter how big the event is and how  
many people are involved, our task is to  
provide high standard and high quality  
services.

# originality

the secret of success is to do common thing uncommonly well

JOHN D. ROCKEFELLER

# COmmunication

Interaction requires communication  
so we make sure that the transfer of an  
idea or message from a person to an-  
other [communication] is left clear and  
focused.

# complicity

Be sincere and simple, is the essential

FEDÖR DOSTOEVSKIJ

# COoperators

The co-operators, the suppliers, the clients  
are all together the role players  
harmoniously  
coordinated by evinco to achieve  
common satisfaction

transparency
